Dear Representative Cook:

The Political Action Committee of the Texas State Rifle Association is pleased to announce to its members and all Texans that you are the "A" rated and endorsed candidate for the 2016 election cycle.

Texas gun owners, hunters, and those licensed to carry are in your debt. Our 40,000 plus TSRA members appreciate your continued support to further and protect the rights of law-abiding Texas gun owners.

Sincerely,

A handwritten signature in cursive script that reads "Alice Tripp".
